Summary of Benefits

January 1st, 2021 - December 31st, 2021

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. The Evidence of Coverage (EOC) provides a complete list of services we cover. You can see it online at www.AARPMedicarePlans.com or you can call Customer Service for help. When you enroll in the plan you will get information that tells you where you can go online to view your Evidence of Coverage.

About this plan.

AARP Medicare Advantage (HMO-POS) is a Medicare Advantage HMOPOS plan with a Medicare contract.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live within our service area listed below, and be a United States citizen or lawfully present in the United States.

Our service area includes these counties in:

Florida: Brevard, Orange, Osceola, Seminole.

Use network providers and pharmacies.

AARP Medicare Advantage (HMO-POS) has a network of doctors, hospitals, pharmacies, and other providers. For some services you can use providers that are not in our network. This health plan requires you to select a primary care provider (PCP) from the network. Your PCP can handle most routine health care needs and will be responsible to coordinate your care. If you need to see a network specialist or other network provider, you may need to get a referral from your PCP. We encourage you to find out which specialists and hospitals your primary care provider would recommend for you and would refer you to for care, prior to selecting them as your plan's PCP. If you use pharmacies that are not in our network, the plan may not pay for those drugs, or you may pay more than you pay at a network pharmacy.

You can go to www.AARPMedicarePlans.com to search for a network provider or pharmacy using the online directories. You can also view the plan Drug List (Formulary) to see what drugs are covered, and if there are any restrictions.

Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

Understanding the Benefits

- ✓ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Call us or go online to view a copy of the EOC. Our phone number and website are listed on the back cover of this book.
- ✓ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ✓ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ✓ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ✓ Benefits, premiums and/or copays/coinsurance may change on January 1 of each year.
- ✓ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher copay for services received by non-contracted providers.
